This Post-Mediation Status Report is submitted in the above-referenced matter on behalf of Plaintiff JOEL MARTIN, on his own behalf, and as Next Friend for C.M., a minor following completion of the court-ordered early mediation, which took place on June 28, 2017, before Judge Robert Schieber of Kansas City, Missouri. All of the required parties appeared for the mediation, which lasted approximately from 9:30 A.M. until 1:30 P.M. The parties were unable to reach a resolution of this case at mediation, and have accordingly resumed their discovery efforts. Counsel for the parties remain open to continuing discussions regarding the viability of a possible settlement. If such discussions are not successful, Plaintiff believes that settlement discussions may be more effective following the close of discovery. Per the Court's Scheduling Order and Discovery Plan, discovery closes on or about May 25, 2018.

Respectfully submitted,

/s/ Brian J. Madden
